

## Media Monitoring for Merida Initiative in Mexico

Project Title	Media Monitoring for Merida Initiative in Mexico
Project Summary	Monitor traditional and social media for stories related to the Merida Initiative, an unprecedented partnership between the United States and Mexico to break the power and impunity of transnational criminal organizations. Create weekly summaries and adjust as needed based on feedback from our office
Country	Mexico
Agency	Department of State
DoS Office	N/A
Post	MEXICO CITY
Section	Other
Number of Interns	1

## Project Description

Every week the programs and events of the Merida Initiative make the news all over Mexico and the United States, from national papers to local outlets. We need your help to keep track of it all, searching online in both traditional print/online outlets as well as social media of government agencies and prominent opinion leaders. You'll create a weekly summary with links, visual clips of prominent tweets, etc that will keep our team informed of how their work is playing in the media in both the United States and Mexico. We'll provide regular feedback so that the product gets better every week.

## Desired Skills Interests

## Additional Information

Since you will be searching media in Spanish, strong Spanish language reading skills are required.

# Language Requirements

Language	Speaking Proficiency	Reading Proficiency	Importance
